Widgets

Widgets are small pieces of information that can be added to your dashboard. They can be used to display a variety of information, including weather, calendar, and search results. Widgets can be added to your dashboard by clicking on the 'Add Widget' button in the top right corner of the dashboard. Once a widget is added, it can be moved to a different location on the dashboard by clicking on the 'Move' button in the top right corner of the widget. Widgets can also be removed from the dashboard by clicking on the 'Remove' button in the top right corner of the widget.
